Hermosillo 2017 Praise Report

In February, 2017, I had the privilege once again to serve on a Dental Field Team to Hermosillo, Sonora, Mexico. While we were in Mexico, we saw the Lord do great and mighty things in the two neighborhoods that we were working in. There were many in Altaras who made professions of faith in Jesus

Christ, and many seeds were planted which will be followed up on. Please pray for Margarita, a twenty-nine year old woman who is estranged from her husband. She came to the clinic to get her teeth cleaned for the first time ever in her life, and she also had her heart cleansed from sin! Praise the Lord! The next day, she brought her son to the clinic and he made a profession of faith too. The same day I was able to share with a lady named Lucy, that we are all sinners, and we all need a Savior. Although at first, Lucy did not recognize her lost condition, through the power of the Holy Spirit, she came to new life in Christ Jesus.

On Thursday and Friday, we were out in the country about thirty miles outside of the city of Hermosillo. YEAH! This country girl likes the country! Pastor Octavio is wanting to start a church in Tazajal. Praise the Lord, we had close to forty professions of faith in the two days we were in Tazajal. That's a good start to a church!

As always, when we are on a ministry, we had many willing helpers! We couldn't do what we do without them helping us. There was even a retired dentist from Hermosillo that showed up to help. It reminded me once again that we are all working together to bring the gospel to others, and to glorify God in the process. We are not all medical or dental, but we are all equipped by God to do something. Ecclesiastes 9:10a says, "whatsoever thy hand findeth to do, do it with all thy might...".

Thank you for doing the part that God has given you to do, and if you want to be part of a Field Team, just let Bryan know. We'll find something for you to do.

In Christian Love,

Mary Chase
