

Earnest Care

Using Dentistry
to Spread the Gospel

March 2015

Side by Side: Hermosillo, Mexico 2015

Nehemiah 6:9b *“Now therefore, O God, strengthen my hands.”*

It is very interesting to see how God works things out in our lives. During my most recent mission trip to Mexico I was reading in the book of Nehemiah in my devotions. Nehemiah was faced with the daunting task of rebuilding the walls around Jerusalem. He did this with God’s help in 52 days! The people working with Nehemiah each had a job to do, and they all did their part to get the job done. When our team was in Hermosillo, Mexico we each had a job to do. There was a dental team that included a dentist, a dental assistant, 2 dental hygienists and a sterilizing assistant. We know how to take care of people’s teeth, but we cannot speak the language of Mexico. Thankfully, God also sent 2 men on our team that can speak Spanish.

Team Work

Evangelizing Adults

The students from Instituto Practico Ebenezer were a tremendous help to us in the work that we were called to do in Mexico. After I got done seeing a patient I would ask one of the students to share the gospel with the patient. I would actually say, “Ok, I did my part now you do your part.” Many of the patients made a decision to accept Jesus Christ as their Savior as a result of each of us doing our part.

There are local pastors right now in Mexico who are doing their part. There is a need for follow-up and discipleship of the many people who were seen as a result of the dental clinic. Please keep these men in your prayers as they do their part in Hermosillo, Mexico. Together we worked to see people’s lives changed for eternity, and God was faithful as He always is.

It is a pleasure to work side by side with these fellow believers in Hermosillo, Mexico. As we serve the Lord, He equips us for the job that He has given us to do for Him. How has God equipped you, and are you using that gift for His glory today? Let’s work side by side and see the impossible things that God will accomplish through us for His honor and glory!

Evangelizing Children

In Christian Love,

Mary Chase
