PHILIPPINES MINISTRY PRAYER BULLETIN

A medical team of 7 will depart Saturday morning, May 12th bound for the island of Eastern Samar, Philippines. The U.S. based team will be joined by co-workers from other parts of the Philippines that will include both medical and evangelism personnel. The team expects to return on the 26th of May.

The purpose of this 15 day ministry is to strengthen and encourage missionary workers Lebron and Analy Macasa in Guiuan, to affirm the group of believers they are leading, and share the Gospel in surrounding villages. We ask for your prayers for safety in travel and for a continued open door to take the Good News to villages in this poor and Gospel needy region.

We so appreciate your laboring with us to build up the local church in Guiuan and to take the Gospel to the lost. Thank you for partnering with us in this way.

You can follow us on Facebook and on Twitter for timely updates during this ministry.

Brethren, pray for us.

(1 Thessalonians 5:25)
