*" I have called upon Thee,
for Thou WILT hear me, O God"*

Psalm 17:6a

Dear Praying Friends,

Ministry News

Rick has been busy personally calling many of our supporters the past few weeks, but he has not been able to contact EVERY-ONE, so first a little background on a current situation that requires YOUR DILIGENT PRAYERS.

We have had an unexpected and unexplained significant short-fall of regular monthly support income for the past two months. In our financial history we have had months like this each year; it just hasn't hit us as hard. Please ask the Lord to provide for our long-term need for regular support. God has ALWAYS met our needs, and we are confident He will do so in this situation as well.

May Philippines Trip

Rick expects to be traveling to and from Guiuan, Eastern Samar, ministering as evangelist in the Philippines from May 15~28. He will be most grateful for your prayers during that time in particular. We sense that God has something big planned considering the amount of Satanic opposition being encountered. Ask the Lord to give him

and the translators the ability to clearly communicate the Gospel to folks who have been deceived by Roman Catholicism, Mormonism, Jehovah's Witnesses, a cult peculiar to the Philippines similar to the prosperity gospel, and communism. It seemed like folks listened carefully last year, and souls were saved; however, there is so much confusion because of the false teaching. Pray for OPEN HEARTS and UNDERSTANDING on the part of the hearers. One note of joyous praise is that a young lady nursing student, the daughter of friends from a long-time supporting church, is coming along on this trip!

Family

Just an UPDATE on our personal activities — we praise the Lord for His provision of a home much closer to our daughter Sharon Rose and her family. (On a side note — we have always appreciated the hospitality so many of you have given us over the years, but now that we are trying to get this house in order, we have an even greater appreciation for your hospitality!) The house is spacious enough to accommodate Becky's Mother (Mimi); just recently Mimi had a buyer sign a contract for her condo in Cocoa Beach. **We need prayer for a buyer for our mobile home in St. Petersburg; and we all need prayer for the upcoming moves.** We praise the Lord also that Sharon Rose's overall health has been much better lately. She has not needed the usual assistance in caring for the children. THANK YOU for praying about this!

Encouragement Along the Way

Recently Rick was traveling to help Mimi, and a Filipino man assisted us in the airport. He was from the Visayas region of the Philippines where we will minister next month. Rick shared the Gospel with him and gave him some literature he has used on previous evangelistic trips. At the time there was much uncertainty

whether we would have the funds needed for this trip. It seemed like the Lord gave this opportunity to reassure us that He has ALL the financial details under control. It is *such a privilege* to be a servant of the Most High God, our Heavenly Father Who supplies *EVERY NEED* at *JUST* the *RIGHT* time!

Who's Daniel?

While we were parking our car recently, a nice young man named Daniel gave us his parking ticket with free time on it, so we got to talking. It turned out that he was an emergency room doctor who had taken other medical people to help folks in the Solomon Islands. He is currently between jobs, so let's pray God guides him to a place where he will meet more Christians. He let us pray for him before we parted ways, and he took GDM Missions contact information. Of course, we hope that he will understand the tracts he received. Daniel had not read the Book of Daniel in the Bible; he promised to read it. Even if we never see him again, if he calls on the Name of the Lord, he shall be saved.

YOUR Part in Ministry

We send many thanks for your love, prayers and gifts. May "the grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Ghost, be with you all. Amen." (2 Cor. 13:14)
