[Colossians 4:2-4](#), "Continue in prayer, and watch in the same with thanksgiving; Withal praying also for us, that God would open unto us a door of utterance, to speak the mystery of Christ, for which I am also in bonds: That I may make it manifest, as I ought to speak."

#### Dear Praying Friends,

We are looking forward to teaching the missionary stories to the children who will attend our home church's annual VBS beginning Monday evening, June 23rd through Friday evening, the 27th. Would you please pray for the Lord to bring a good group of children whose hearts are open to hear His voice?

During the day we will also have the opportunity to attend a conference of Bible-preaching churches here in St. Petersburg. We are asking the Lord to give us open doors to present the ministry of GDMissions in more churches of like faith and practice.

#### Ministry in Chuuk

From July 3rd until July 20th, Rick will be ministering in Chuuk, Micronesia. Once again, he will have the privilege of doing evangelism and discipleship training. Lord willing, we expect to conduct several clinics and evangelism outreaches on three islands - Weno, Fefen and Tol. We have not been to Tol before, and the island inhabitants have a reputation for lawlessness, so we are asking the Lord to especially work in hearts there.

We will see what doors He will open. We know that ONLY as God opens hearts will souls be born again. Will you pray to that end? Please also pray for stamina and wisdom for the team members. We depend on local national Christians to help with translation as we share the Gospel, so pray that God will give them wisdom for their essential roles too.

We are trusting the Lord to help us complete preparations for the trip to Micronesia. Rick's vaccinations are now up-to-date. There is still some work to be done preparing the literature and teaching materials. Most important we are asking the Lord to prepare our hearts, minds and bodies that we may function most effectively for His glory.

#### Thank You for Your Gifts and Prayers!

As always, if it were not for you precious brethren lifting us up to the Throne of God's Grace and the sacrificial gifts of numerous folks in dozens of local churches, we would not be able to serve the Lord with Grace Dental and Medical Missions. **YOU** are incredibly important to the work God enables us to do for Him. **Thank you** for your part in making it possible for us to participate in this vital ministry!
