

Dear Friends,

As we move into the month of April we would like to thank you for your interest and bring you up to date with our ministry. Our scheduled trip to Papua New Guinea in January had to be cancelled as a snow storm hindered our team from leaving Boston on time. This caused us to miss all our subsequent connecting flights. After trying diligently but unsuccessfully to rework the flight plan it was decided that it was best to return home. The significant extra charges and loss of clinic time made it not a good use of God's resources. As disappointing as it was, we realize that God knows best in these things.

Snow at Logan

In February, a team of six made the flight to Hermosillo, Mexico and we had eight days of ministry within and on the outskirts of the city of Hermosillo itself. Two days of ministry in the San Bosco area yielded a rich harvest of souls for which we are very thankful. Our next two days of service were in the public park in the Sol Aguilar section of the city. A few children and adults professed salvation and many others heard the gospel as they waited for treatment. We were thankful that Jennifer was well enough to participate in this trip.

March found a GDMissions team of seven traveling to

**Hermosillo, Mexico Field Team**

the Yap Islands of Micronesia. Thank you to all who prayed for us as we travelled through Japan just after the earthquake! Great blessing awaited as the team found a church of fifty plus people established on the island of Fais. On our previous trip to Fais in October of 2009, Bible teaching was just beginning but now a church has been born!

New Church on Fais

Fais is an island that is closed to regular evangelistic outreach but the need for medical care opened it wide to the gospel.

Sharing the Gospel on Fais

This month will be a busy one for us. Beginning with a five day conference at Northland International University (Dunbar, Wisconsin) where Jack will teach two workshops, we fly on to a weekend mission conference in Kansas. Arriving back in Massachusetts on the 18<sup>th</sup>, we begin a mission conference at The Church of the Open Bible in Burlington, MA for six days. Next we are off to a Bible conference in Connecticut and then we will finish out the month with a weekend conference at Collinsville Bible Church in our home town of Dracut, MA. It will be a full month but also a rich one of ministry and fellowship. We covet your prayers for God's help to minister effectively in so many different places.

We would also ask for your intercession for the GDMissions team of eight as they serve the Lord in the Philippines, May 7<sup>th</sup> - 29<sup>th</sup>. The team will be in three different locations providing medical and dental care and Jack will be teaching at a pastor's conference just before leaving for home.

God is giving many opportunities for us to serve Him and how we need your prayers to make the most of these opportunities for God's glory. Thanks so much for holding us up in prayer.

Sincerely in Christ,

*Jack and Jennifer*
