Did you know that most of the people in the world live hours away from safe, affordable dental care? People in many third world countries live out their lives with poor dental health and sometimes tremendous pain because they do not have access to safe dental treatment. They are either too poor to afford care or too far away to receive it.

Grace Dental Mission (later becoming GDM Missions) was started in 1996 because of a burden God placed upon our hearts to use the skills He has given us for Him. The Bible has much to say about showing compassion to those in need. *“And Jesus went forth, and saw a great multitude, and was moved with compas-*

*sion toward them, and he healed their sick” (Matthew 14:14). Since the beginning*

of our mission, thousands of people in numerous countries have received help for their physical need. It has been our pleasure to provide care for them, but we also are even more concerned about their spiritual need.

The Bible tells us in Romans 3:23, “*for all have sinned and come short of the glory of God.*” No matter how good we may try to be, we have all fallen short of God’s standard. God is a holy God who requires holiness in us if we are to be with Him in heaven. Knowing our sinful condition, but loving us completely in spite of it, He sent His Son, Jesus Christ, to take the punishment for our sins. He became our sinless substitute and took upon Himself the iniquity of us all (Isaiah 53:6). God is pleased to count any one of us righteous if we believe that Jesus’ payment for sin on the cross applies to us personally. He does not desire “*that any should perish*” (II Peter 3:9). This is the message that we take to the people of the world – that God

has made a way for their sins to be forgiven and that He cares about their suffering.

What about you? How is your dental health? But more importantly, how is your spiritual health? God cares about your eternal destiny and wants to declare you righteous. Will you believe in His Son's sacrificial death on the cross in your place and have your sins forgiven?
